Very good look into the life of one of golfings great professionals, man or woman. The book gives very good technical swing deescritpions and photographs along with an enjoyable to read story of Mickey Wright and her life on the tour.

Play Golf the Wright WayA great golf instructional book for anyone who wants to learn how to swing a golf club. Photos and instructions were very helpful. Mickey Wright is the best. Simple perfection. Mickey covers all of the game. It helped me improve in the way I practice and approach golf in general. Love it.

Excellent book containing timeless instruction. I just wish the photos were better but that's the trade-off since it was written many years ago. Well worth purchasing.

Of all the golf books I have read (I am male) this one is the easiest to comprehend. Mickey Wright was the greatest!

Back to the basics way of improving your golf swing from one of the greatest golfers.

The Wright Way was given to me as a gift years ago. I read it through then proceeded to mark up every page. I went from a handicap of twenty-one down to a singal digit nine. It helped me play the best golf ever, winning club championship after championship. It is easy reading and easy to understand in golf language. Rm Lamatt
