The Highlander's Bargain (The Novels Of Loch Moigh Book 2)

Synopsis

2015 GDRWA Booksellers™ Best Award Before he can settle down, blond-haired, blue-eyed Robley of clan MacKintosh needs to taste true adventure. So when the faerie Madame Giselle asks him to retrieve her stolen property in exchange for two enchanted tokens that will whisk him across the centuries, he jumps at the chance. Nurse and future midwife Erin Durie is broke and alone, thanks to a roommate who skipped town and the psychic gifts that make relationships too intense and painful to bear. Then a kilted man magically drops into her arms, looking for a guide to the twenty-first century, and she can't deny the attraction. But magical treachery soon throws open time's portal once more and puts a blade to Robley's throat. Now Erin must decide where or when her healing powers can do the most good and whether she can live without her handsome Highlander. In the second thrilling Novel of Loch Moigh, award-winning author Barbara Longley delivers more of the action, adventure, and romance that began in the pulse-pounding True to the Highlander.

Customer Reviews

What a thoroughly delightful and fascinating concept for a plot and one I personally found completely intriguing and entertaining. This particular story of time travel told in a whole new and

original version was another well developed, solid effort with great attention to detail by Ms. Longley. I loved these characters! This second installment of the Loch Moigh series is not as "fun" as the first installment True to the Highlander (The Novels of Loch Moigh Book 1) and is more of a serious nature. There is no humor as we found in book #1...and if I've learned anything from the many, MANY time travel romances I've read, it's that there is much more excitement and entertainment to be had when someone travels to the past, than there is when someone travels to the future. At least for me...An adventurer at heart, 24 yr. old Robley MacKintosh (cousin to Malcolm from book True to the Highlander (The Novels of Loch Moigh Book 1)), is bored with life. He craves excitement and does NOT want to "settle down" and take a wife as his father suggests. He's not ready to settle into his predestined role within his Clan. He wants a family of his own some day, but not without love. No arranged marriage for him! Robley is a good and kind hearted Scottish Warrior. He's sometimes intense and other times happy-go-lucky. He has an overall good nature and a natural optimism about him. He laughs, jokes and smiles all the time flashing those gorgeous dimples.
