This is a compilation of Baha'i prayers. It includes those by the Bab, Baha'u'llah, and Abdu'l-Baha. These are very touching, meaningful prayers, and are good for group use or for personal devotion.

How grateful I am that there are so many prayers given to us to meet the needs of all women. God is good and has provided us with words of wisdom for nearly every situation! Although compiled for Baha'i women more specifically, I have no doubt this work will speak to diverse groups of women!

These prayers uplift the soul and inspire spiritual growth. A true gift, an utmost positive perspective and joyous outlook of our journey as we live each day of our lives with love of God in our heart.

This book is a welcome collection of Prayers just for Women to enjoy and share with family. The

Prayers are indexed just for the right occasion. Baha'i Prayers are always uplifting, with clear and meaningful guidance for everyday problems and praise. A lovely gift for your spiritual friends.

All the titles in this series are valuable spiritual "food" for the soul, which can give comfort and peace as part of our daily reading. This, and the other titles in the series, provide a "shield and shelter in my woes" and uplifts the spirit.

We need more prayer in this world. This is another prayer book used by Bahai's all over the world. I recommend that all faiths use it

I am new to Baha'i and this book works well for me when I want to find specific prayers. Don't understand why the thou's and there's can't be changed to him and you for easier reading. It is a translation to English after all.

Baha'u'llah's words are truly God sent and, as one of God's Manifestations, food for the soul. Regardless of your faith, these prayers will illumine your heart.
