Spirit Of Faith: Obedience To God

Synopsis

Spirit of Faith: Obedience to God is a compilation of Bahai writings that deal with the subject of obedience to God. From a Bahai perspective, the Prophets or Manifestations of God, the Founders of the world's great religions, are as divine Physicians Whose laws, teachings, and admonitions contain the remedy for the ailments of mankind. To follow the teachings and observe the laws prescribed by the Manifestation of God for the day in which we live is, from a Bahai perspective, to fulfill a major part of our duty as human beings and to align ourselves with the divine guidance available to us. From this perspective, obedience can be seen as a source of empowerment and as the core of personal spiritual development.

Customer Reviews

This series is wonderful for devotions. The complications are well put together for the theme. I would recommend for anyone wanting to get more familiar with the topic.
