Spirit Of Faith: The Human Soul

Synopsis

Spirit of Faith: The Human Soul is a compilation of writings and prayers that focus on the human soul and the qualities of this remarkable and unique aspect of our existence. Spiritual seekers of all faiths will relish these uplifting passages that offer a great deal of insight into the nature and significance of the human soul—a subject that has never been so extensively explored in the religious texts of the past. This collection contains writings from Bahá'u'lláh, the Bab, and AbdolBaha. The Spirit of Faith series explores a range of topics—such as the unity of humanity, the eternal covenant of God, the promise of world peace, and much more—by taking an in-depth look at how the writings of the Bahai Faith view these issues. The series is designed to encourage readers of all faiths to think about spirituality, and to take time to pray and meditate on these important topics.

Customer Reviews

It is a lovely, simply designed devotional book with the theme of the human soul. You can use it for personal reflection, or have it on the table to share at your home-based devotional group, for your friends to choose a passage from. I look forward to more in this series, in a rainbow of colors and

themes!

Amazing Book we have a new understanding above the relation of the soul the New Manifestation of God for this day Baha'u'llah revealed new meanings and give us hope and love

This series is wonderful for devotions. The complications are well put together for the theme. I would recommend for anyone wanting to get more familiar with the topic.
