Prayers

Synopsis

The Prayers book is several things. It is a guide to salvation for those who have not been born again. It teaches relationship with the Lord, verses just being good or religious. It also teaches on what to expect as a Christian, how to pray, drawing near to God, and how you can and should grow as a Christian. This is followed by prayers on many various topics which are written from the perspective that God is all powerful, that the scriptures are inerrant, and that the Word of God is alive and powerful. We believe that those who have faith in God and have been saved by the blood of Jesus can pray these prayers and expect to have what they have prayed for, whether it be forgiveness of sin, healing, deliverance from bondage, or any prayer that is in line with the truth of Godâ™s word. Thousands of people have testified to the blessings they have received from this book. To date we have mailed out over 2 million copies, have had 280,000 copies downloaded from the internet, and have had over 500,000 hits on our mobile download site.

Customer Reviews

This is my favorite prayer book. So much is praying scriptures, but put together so beautifully. It

never fails to bring me closer to the LORD, especially when I'm still all sleepy in the morning, not sure where to open the scriptures to, and still feel kind of disoriented. Then I open the prayer book, pick a prayer and the Holy Spirit takes over, better than a triple shot of espresso! Within minutes I'm ready to continue to pursue the Lord on my own, letting Him guide me through His Word. You can't go wrong getting it!!!

Awesome book that helps you when you're not sure of prayers. I take it with me everywhere I go. Awesome.

AN OLDER NURSE GAVE ME THIS BOOK. SINCE THEN, I HAVE GIVEN THE BOOK AWAY. I WAS NOT ABLE TO LOCATE A HARD COPY OF THE BOOK, BUT GOT IT ON KINDLE FOR \$0.99. YOU GO BOY! I HAVE RECOMMENDED THIS BOOK VIA KINDLE SEVERAL TIMES, AND COUNTING.

This prayer book has definitely saved my life! I find myself being more aware of God and his purpose and plan for my life since I have been praying the prayers out of this book. This prayer book is written well and is an excellent guide to salvation and deliverance. It is biblically sound and I am grateful to Richard Broadbent, III who obeyed God and with the others composed this book. At the beginning I felt that God would be pleased with me reciting these prayers because they were not my own words, but I soon realized that this was the trick of the enemy. Once again I am grateful for this prayer book.

This is an excellent resource to have. It helps you to see the importance of a prayer life. It has to become a lifestyle, building a relationship with our Father, the Creator of everything is paramount! This little red book does this and more...I would recommend it to everyone!

I liked this product because I had the original that I gave to a friend. I wanted another book that I could hold in my hand; however, when it was time to purchase the original handheld book it was unavailable. So, I downloaded the ebook.

This amazing book was given to me years ago during a very hard time in my life I used it daily it helped me develop a stronger prayer life it expanded my then simple prayers. When I saw it on I was so excited I had to download it on my Kindle. God is good! Be encouraged

I'm considering purchasing the book version so I can highlight some sections that I want to return to. Bookmarking in the Kindle works fine, but sometimes handling the written word is helpful, too.
