# Revised Duncan's Ritual Part 1

## **Synopsis**

The purpose of this work is not so much to gratify the curiosity of the uninitiated as to furnish a guide for the neophytes of the Order, by means of which their progress from grade to grade may be facilitated.

## **Customer Reviews**

A compact and affordable text for beginners as well as practising Masons. The explanatory notes at the end of the book are helpful in providing token insight not only into the mysteries, but also into the mechanics of the Masonic Lodge.

If your Lodge speak another language, this is the book to see the rituals in english. Excellent for freemasons.

Revised Duncan Ritual Part 1 is a excellent publication for Masonic education for masonic members. I liked this book because it helped me to learn more about how to become a good mason.

I bought this book to help me with my studies and found that the book was published in the 1860's. Things have certainly changed since then. Nothing against the book, it is a good history of the inner workings of a Freemason Lodge.

If you wish to do some research these books will guide you. They will provide you with the why as well as the how behind most of your questions. Never the less these are good reading. Enjoy.

I'm very happy with the book thank you so much for all you done. thank you again I wish that there was not a minute on the worst type

If you are new to the order you will need this book if you don't yet have it. It is the exact book used by elder lodge members.

it's not worth it and dont by the all 3 book together . . just get duncan's ritual of a freemason . that should be good enough .
