Customer Reviews

Want to know why you believe and what you believe? Here it is in plain English! Great book for those who just got saved and need a crash course in what it means to be like JESUS! A STEP ABOVE! No religion here! Just plain Christianity!!

First of all, I'm a huge fan of Randy Clark and his ministry; I have greatly benefited from his teaching on identity, healing the sick, and moving with God. That said, the first half of this book presents a disappointing overview of the history of the character "Lucifer" in a "gap theory" take on Creation. Randy Clark provides several traditional views that have been soundly done away with by modern

scholarly research into the Hebrew Bible. It was disappointing and frankly hard to listen to (I purchased the audio version as well). I got sick of hearing all about Lucifer (a poorly-translated word) and the errant take on his history. I suggest readers review the latest scholarly works regarding the Hebrew scriptures. "The Lost World of Genesis One" provides a better interpretation of Genesis One, and "Unseen Realm" by Dr. Heiser provides a far more coherent understanding of spiritual world that Jesus came to overturn. The last half the book is awesome. It's classic Randy Clark and extremely motivating and empowering. (It proves that we don't have to have an understanding of the Old Testament to get the awesomeness of what Jesus accomplished on the Cross and what that means to us as believers).

This is the 1st book I have read by this Christian Pastor and I plan on reading more of his writings with regards to subject matter that interests me... it's one of those books you're reading that's so good you keep checking the number of pages left before it ends... Very easy reading for what could be considered weighty subject matter... Please keep up the Great Work!

This was a great book about the spiritual war that is around us every day and it's all scripture based teachings. Loved it! I feel much better equipped to rebuke Satan and stand firm. Highly recommend this book!

I learned how to have a deeper walk with God from this book. I would recommend it to anyone who wanted to feel closer to our Lord. A Lot of "Food for Thought".
