Celtic Maid (Roman - Pict Love Stories Book 2)

Synopsis

Primus Centurion, Titus Augustus Romulus, has fought tirelessly to reclaim Hadrian's Wall from the clutches of the barbarians. Once his goal is achieved, he sets his sights on a long awaited advancement to lead the entire Roman province of Britannia. But when Elspeth stows away in his chamber, things begin to go awry. As time passes, he uncovers the mysterious warrior woman's talents until she's exposed as a Pict spy. Elspeth has been bred to hate Romans. Never would she allow her heart to betray her code of loyalty. But Titus's stare raking across her body sends shivers over her skin. For a moment she loses herself in the rugged centurion's allure until her world crumbles. Can an ardent soldier of Rome gain the courage to turn his back on his duty? Love versus honor clash as Titus battles all sides in a fight to uncover the truth, invoke justice and follow his heart.

Customer Reviews

While not as amazing as *Rescued by the Celtic Warrior*, book 1 of the Pict Desire Series, this was still a wonderful and engrossing story. Lots of adventure, intrigue, violence and passion. The

characters were good but I didn't connect with them as much as I would have liked. I had some trouble picturing them in my mind...there needed to be more descriptive details of their physical traits early on and then throughout the story from different perspectives. That always helps me get a clear physical picture of the characters. However, I did really enjoy this novel and hope to read more from this series in the near future.

These Celtic historical romances from Amy are a brilliant compliment to her Highlanders. So many great characters and action scenes, and still a beautiful tale of love. I may have a soft spot for Roman warriors, but Amy absolutely outdid herself with this one. A MUST READ!

The previous reviews left me wondering if I would really like this book compared to *Rescued by the Celtic Warrior*, book 1 of the Pict Desire Series. I still liked the first one a tiny bit better but this one was equally as good but in a little different way. I thought the characters were described quite well. The love story was very good and steamy. The battles and conflicts were very exciting and tense. I am really liking this author's work. She writes well and her books start off right away. There were a couple of words or sayings that didn't match the time period but I overlook that stuff anyway as long as the story is good. One of my pet peeves is when an author puts a picture of the character on the front of the book and the description in the book doesn't resemble the picture. This book had the picture just right for the character. Just a good book that I really enjoyed.

I loved the story! It doesn't slow down all the way to the end!! I can not wait for the next one! Maybe Akira's story? I would recommend this book if you like pre-Scotland or stories of the Pictish people. I will be looking for more books from this author!

Ms. Jarecki is my new favorite writer! I adore the genre in which she writes, and her character development is incredible; you cannot help falling in love with these characters as they fall in love. Even though this story takes place close to two thousand years ago, I can still relate to, Elspeth, the Pictish protagonist. What a feisty little lass! I don't want to give away the plot, but this is a journey worth taking along with these characters. Reading it was a real treat.

This was a powerful and sensitive story. You start reading it and you can't put it down until you finish it. There was intrigue, fascinating plots, fascinating twists and turns. It was wonderfully written and I look forward to many more of her books. Debi Allen

This is the best book I've read in a long time. I loved the story , the love and war . I will read the book again. Jen1721@wichitaonline.

I loved learning of the earlier history and battles. They were hardened and fierce warriors who were most loyal. Truly enjoyable.
