Spirit Of Faith:The Oneness Of Religion

Synopsis

Spirit of Faith: The Oneness of Religion is a compilation of writings and prayers that focus on the inherent oneness of all the world's great religions. Spiritual seekers of all faiths will relish these uplifting passages that underscore the unity of thought that helps us define our place within a single, unfolding, and divine creation. This collection contains writings from Bahauallah, the Bab, and Abdul-Baha. The Spirit of Faith series explores important spiritual topics such as the unity of humanity, the eternal covenant of God, the promise of world peace, and much more by taking an in-depth look at how the writings of the Bahai Faith view these issues. The series is designed to include a short quotation on each page that will encourage readers of all faith to think about spiritual issues and meditate on prayer.
