Alien Romance: SHAZIB: Her Space Lord (Alien Invasion Abduction Romance Standalone) (Galactic Creatures Book 2)

Synopsis

Biologist Dr. Irina Evans is on her way to catalog a newfound planet's life forms when her spaceship is attacked by raiders from planet Janna and she is taken captive. Enslaved, fitted with an explosive tracking collar and humiliated by her captors, she struggles to hold on to both hope and her self-respect. But when a handsome local buys her at auction, she's shocked to discover that she has become the new sex slave of the planet's High Commander, Shazib. On Janna, human sex slaves have been used for generations as entertainment and breeding stock. Enraged by this sordid practice and determined to regain her freedom, the spirited Irina locks horns with her new master time and again. But her resistance only intrigues the sexy alien ruler and she finds it harder and harder to resist his allure. As they fall for each other, their relationship changes...and with the release of her collar, things change more than she expected. When a rival nobleman seeks to possess Irina to humiliate her new owner, Irina fights back with everything she has. Shazib must race against time to save her from his dangerous foe who is willing to fight to the death to keep his claim. When battle is joined, only one can win and will the winner let Irina go, or seek to possess her forever? Adults Only!
