OWNED & UNTAMED (A Back Down Devil MC Romance Novel)

Synopsis

I left her once to go to war... now I'm dragging her into one. After an ambush costs the club tens of thousands of dollars and puts us at odds with an old enemy, we're thrown into a battle we're not equipped to handle. The last thing I need is a drunken phone call from an old flame begging me to help her. But I can never say no a beautiful woman in need. Belle was the only woman I ever loved, and her brother - Jim - was my best friend. We grew up together, went to war together...almost died together. But when we came home, Jim gave up on life. Now I'm the only one I can save him. Problem is, Jim's been making deals with our enemies. That puts him, me and Belle in everyone's sights. The only way I can protect her is keep her close, but by keeping her close means going right back to where we left off. Love is a dangerous game and I'm the kind of guy that doesn't play by the rules. Even if it costs me my leather cut... and my life. ~*~ London Casey is the pen name for bestselling romance author Karolyn James Sign up for the official Outlaw Romance Obsession newsletter and you'll never miss a new release! Customer Reviews

Once again London Casey and her Back Down Devil MC crew just set the town on fire! This is the story of Duke and Belle. They knew each other from childhood when Duke and her brother Jim teased and tormented her. Then Duke and Belle became a couple up until the time Duke and Jim went into the service together. But things didn't go smoothly for Duke and Jim once they returned Stateside. Jim lost a leg trying to save all the men, and Duke pulled Jim out knowing the last man inside the vehicle was already gone. Duke came back as a hero, something that he felt nothing like at all. He missed the funeral of Big Jim, Belle and Jim's father who was so good to Duke since he was a kid. Duke drifted until he became a member of BDD MC, and found the family he thought he would never have again, and left Belle and Jim behind. Jim slid into the bottle and the darkness of knowing that one of the men in his unit died and he didn't save him. Jim lived but the guy with a wife and 2 kids didn't. Belle was trying to finish nursing school, but ended up taking care of their father until he died, and then Jim. One night Jim took some pills, and Belle was frantic he was trying to kill himself. He didn't care anymore how his part of the house looked or how he looked himself, and this worried Belle. She didn't know what else to do but call Duke. She surprised herself by calling Duke, but she was angry at Jim, and Duke too. She was shocked to see how different and fantastic Duke now looked, and knew right then and there she never stopped loving him even when he walked away without a word. Big Jim bought up all the land around their house, and added an addition to the house suite to Jim's injury before he died.
