Alien Soldier's Baby (Scifi Alien Romance) (Zoran Warriors)

Synopsis

Can their interspecies romance achieve the impossible? Wanted: distracting assignment for third-wheel researcher Kelly Graham feels like an intruder since her bestie and fellow scientist Jillian Archer married sexy alien warrior General Vinz. Going to the planet Zenus to search for evides, a vital ingredient in the Archer Cure, sounds like the perfect way to keep busy -- except that Zenus is in hostile territory controlled by the Ygg. Kelly needs a bodyguard for the journey: the hot-as-sin Zoran warrior General Koryn. No matter how sexy he is, sheâ™s not about to give in to temptation. Her fatherâ™s abandonment taught her the hard way that for soldiers, the job comes first. Mission: Irresistible The last thing Koryn wants to do is babysit a human. But orders are orders, so he escorts Kelly to Zenus. Finding the evides proves a far simpler task than fighting his response to Kelly -- the curvy blonde scientist makes him want to trade warcraft for much more pleasurable pursuits. Evides and Ygg queens and Berans, oh my! Actually extracting the evides requires the Zoran warrior to turn diplomat, forging a new interspecies alliance with the Beran people. But when the Ygg attack, both Kellyâ™s and Korynâ™s worst fears are realized, driving them apart. Can they save the mission, their new allies ... and their relationship? Alien Soldier's Baby is book 3 of the Zoran Warriors series, but can be read as a standalone. No cliffhangers, and a Happily Ever After guaranteed!

Customer Reviews

I have been faithfully following Luna's Zoran Warriors series. I love Luna's work. The story line is fabulous and the characters work right into it with no problems. Even the minor characters will intrigue you. She grabs you at the beginning of the book and holds your attention until the very end. Your emotions literally take control of you while reading. You have love, sadness, laughter, uncontrollable sex, and your guts get ripped out and you cry. You get so absorbed into the book you don't want to put it down until you have finished it. The sex scenes are out of this world! Literally!!!! I definitely recommend this book to mature readers 18 years of age or older. You will not be disappointed!!!!!! Kelly Graham is a human living on the planet of the Zoran with her friend Jillian Archer who is married to the sexy alien General Vinz. Kelly is really beginning to feel like a fifth wheel but is excited that her best friend Jillian is extremely pregnant. Jillian asks Kelly to go to the planet of Zenus to look for the ævides which is a vital ingredient in the making of the Archer cure for a deadly cough sweeping the planet of Earth. The main problem with this voyage is that the planet Zenus is in hostile territory controlled by the Zoran's enemy the æYgg. Which are huge insects that are extremely hard to kill. Kelly jumps at this opportunity to do more space traveling. General Vinz asks warrior General Koryn to escort Kelly to Zenus since she will need a body guard for the journey. Koryn does not want to be a babysitter to a human. Since Vinz and he are good friends he does as he is asked and he escorts Kelly to Zenus. Extracting the ævides turns out to be easier than fighting his feelings for Kelly. Koryn and Kelly find more than ævides on Zenus.
