Four Doors Down

Synopsis

Becca McKenzie is just trying to make it through her senior year of high school. She has good friends and a gorgeous boyfriend but Ryan Jackson, the bane of her existence, keeps popping up everywhere. She doesn't care that they were best friends for years. She doesn't care that their moms are close and therefore she hears more about him than she'd ever care to know. She doesn't care that their mutual friend, Jake, keeps pushing them all to hang out together, and she especially doesn't care that the rest of the school bows down and worships him. Becca decided years ago that he wasn't worth her time and nothing, NOTHING, is going to change her mind.

Four Doors Down is a debut novel from Emma Doherty and is a young adult (YA) friends-to-enemies-to-lovers romance. Rebecca McKenzie and Ryan Jackson grew up together, having lived their lives joined at the hip from the time they were babies. Their families have always lived just four doors down from each other and Becca and Ryan were best friends until things changed in middle school. Ryan's entry into varsity sports led to his eventual popularity, not just

with his fellow jocks but with girls as well. Becca slowly felt like the outsider instead of the one person who knew Ryan the most, until he basically made it clear that she no longer fit in with the rest of his crowd and pushed her out of his life. Over the years, sheâ€™s found her own circle of friends led by her best friend Sam and she remained close to Jake, the one friend she still shared with Ryan. Aside from the occasional teasing and taunting and basically and obnoxiously being in her way, Becca and Ryan have become nothing more than fellow high school seniors who barely tolerate each otherâ€™s presence. But suddenly, Ryan seems to be more attentive and more persistent in getting and keeping her attention. What has changed and why is it happening now?Iâ€™m a sucker for stories like this because thereâ€™s a lot of history thatâ€™s already there between the main characters and part of the fun is the finding out why everything went wrong and how itâ€™ll all be resolved as the story trudges on. Flashbacks usually come in the form of separate chapters or italicized portions in the text.
